Education

Nile University

Full Scholarship GPA: 3.97

Engineering and Applied Science - Computer Engineering Dept.

Expected Graduation: 2025

Academic Year: Junior (3rd)

Previous Projects

IEEE NU Website 

 [View Project's Website](#)  [Read about the project](#)

Technologies

- Next JS
- ThreeJS and WebGL
- Firebase & Firestore
- UI Design Principles

IEEE NU Electronics Store

 [View Project's Website](#)

Technologies

- React
- Remix.js
- Styled-components
- Fuzzy Match

My Personal Portfolio - Omarkhled.me

 [View Project's Website](#)  [Read about the project](#)

 [View Project on Github](#)

Technologies

- Next JS
- CSS-in-JS
- MDX
- Framer Motion
- React Spring
- UI Design Principles

DedMet - Deadlines Management Chrome Extension

 [View Project's Website](#)  [View Extension on Github](#)

 [View Project's Website on Github](#)  [Read about the project](#)

Technologies

- Next JS
- Typescript
- Webpack
- Online Transactions Processing
- Chrome Extensions API
- Ejs
- UI Design Principles
- Paddle
- Firebase & Firestore
- Lottie Animations

Scudler - University Classes Scheduling Service

A web app designed to help students with their courses registration process
